

# Hedgehogs Class Overview

## Summer Term 2026

### What we're learning...

### Project: People Who Help Us

**English:** Developing our confidence to have a go at writing words and sentences independently. Using our knowledge of digraphs when reading and writing.

**Maths:** Learning to recall number bonds up to 5. Understanding how to add and subtract in real scenarios and record number sentences. Learning about doubling numbers.

**PSHE:** Keeping healthy. Learning about how to keep our teeth clean and healthy.

**PE:** Preparing and developing our skills for Sports Day.

**RE:** Jesus - a leader and teacher. We are reading stories of the amazing things Jesus did.

**Computing:** Programming the Beebots to move around to get to different locations.

**Project:** Finding out about how different jobs help us. Including the Police, Postman and delivery drivers, nurses, dentists.

**TAPESTRY** - Please use Tapestry to share home experiences. I will also share a Home Challenge for you to share something too.

Sports day 24<sup>th</sup> June  
Art Exhibition - 10<sup>th</sup> July

### Weekly Reminders:

**Reading** - Please support your child with regular reading at home. It is really important that the children get the opportunity to practice using their phonics for reading as often as possible.

**Sun hats & Suncream** - Please remember to bring a named sun hat to school, and put sun cream on your child. We always recommend the all the day cream, so we don't need to reapply during the day.
