Dear Parents and Carers,

As a school, we always value your feedback, thoughts and input. Accordingly, in this letter, we ask for your feedback to help us understand what makes Barcombe CE Primary School unique in the eyes of our parent community.

We are extremely proud of all that we have achieved at Barcombe in recent years and we understand the importance of promoting the school effectively so that we continue to attract new families - and pupils - to Barcombe to secure its future in the long term. An important part of that is promoting the aspects of our school that make it so special – our school's 'unique selling points'.

We want to communicate what our school does better, or 'more of', when compared to other Sussex schools. We want to identify the features, characteristics and qualities that make Barcombe School unique and, for this, we would like your ideas. We appreciate, of course, that we cannot be *all things to all people* and that what is important to one family will not necessarily be important to another. Consequently, we are keen to first hear the views of all our parents, staff and, of course, our pupils to help us to identify our unique selling points.

We would appreciate it if you could contribute your ideas via the slip below or by emailing the school office with the subject line Barcombe USP. If you could identify three points that make Barcombe CE Primary School special and list them, that would be much appreciated. These are qualities and features that distinguish us from other schools.

We look forward to receiving your ideas by Monday 19<sup>th</sup> October. Thank you in anticipation for your thoughts and ideas.
