Dear Parents and Carers,

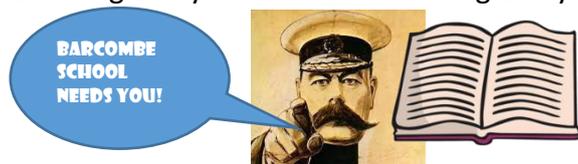

Welcome back to term 5 – what a lovely sunny start to our Summer term it has been! The children are busily working on their new project ‘Landscapes’. This project incorporates the Arts – Music, Art, Dance and Drama, so promises to be very exciting. We’re leading towards an exhibition in July where all the children will present a piece of artwork for you to admire.

### Progress towards our SDP aims: curriculum

The new ‘Landscapes’ project is our Create project for this year following on from Discover (History) and Explore (Geography/Design Technology) earlier in the academic year. You can find more information about our curriculum development on the school website.

### Volunteer Reading Army

Following the interruptions to the children’s learning over the past year, and now that we are once again in a position to be able to cautiously welcome volunteers into school, we would like to recruit an ‘army of volunteers’ to support teachers in ensuring every child is heard reading every day.

As many parents, carers and grandparents did before the Lockdown in 2020, we ask anyone interested in volunteering to read with our pupils to contact the school office on [barcombeoffice@skylarkfed.education](mailto:barcombeoffice@skylarkfed.education) to begin the process of completing DBS paperwork.

### Church Links

Our new school value is Perseverance.

*“You need to persevere so that when you have done the will of God, you will receive what he has promised.”*  
Hebrews 10:36
