C. OF E.
SCHOOL

Starting School

*A small and mighty school where
everyone flourishes in the heart of the
community*

Dear Parents and Carers,

We are excited to welcome you to Barcombe School. As we begin our journey, I have put together some useful information to support you and your child's transition to school. I hope you find it useful.

Yours sincerely,

Miss Amy Eaglen
Reception Teacher

Our Golden Rules

Be kind and helpful
not to hurt people's feelings

Be gentle
not to hurt anyone

Listen
not to interrupt

Work hard
not to waste their own or other people's time

Be honest
not to cover up the truth

These rules were created and agreed by the children and staff at
Barcombe CE Primary School.

A happy start at Barcombe School

Our aim is for both you and your child to have a happy and confident beginning to their school life.

Before starting school, it would be really good if your child can learn to do these things.

- Use the toilet independently.
- Put on and take off their coat independently.
- Put on and take off their shoes independently.
- Putting their jumper on and taking it off, when they are hot or cold.

Here are some other things you can do to help your child prepare for school.

- Talk to them about school and see if they have any questions.
- Sit and enjoy stories about starting school together.
- When looking at books, encourage your child to talk about the pictures and what is happening in the story.
- Sing nursery rhymes and songs together.
- Encourage them to count to ten with you
- Practise putting a game away when you have finished
- Encourage independent cutlery skills, such as feeding themselves with a fork.
- Explore mark making with lots of different materials.

Please do not worry if your child is not yet able to do all of the above. Every child learns differently and at a different pace.

School Day

You will probably find that your child is very tired at the end of the school day, so it is vital that they have as much sleep as possible at night. Quite often, all your child will want to do after school is rest.

School Hours

Morning Session

8.45am-12 noon

Afternoon Session

1.00pm – 3.15pm

Drop-off and Collection Procedures

The children may come into the playground from 8.35am. A member of staff will be on duty in the playground from this time and a member of the Senior Leadership Team will be available at the gate.

In order that the day starts as calmly as possible please ensure your child is in the playground when the bell is rung at 8.45am for the start of the school day. Teachers will accompany children into school.

If your child arrives after the bell has rung, please enter school at the main door and register your child at the office.

At the end of the day, please collect your child from the daisy gate leading onto the recreation ground from the Hedgehogs classroom at 3.15pm

Part-Time option

If you are finding full days too much, please speak to Miss Eaglen to arrange a part-time option. This is available until your child is 5 years of age when it is then a legal obligation for children to attend school full time.

Packed Lunches

If your child is having a packed lunch, they should put their lunch box on the lunch box trolley in their classroom.

School Meals

We are a NUT free school.

Good quality meals, which meet the Government's nutritional standards, are currently provided by Chartwells (East Sussex County Council's supplier).

We are currently on the Spring, Summer, Autumn (SSA) menu, this will then change after the October half term to the Winter menu, then a new SSA menu after Easter holidays.

Meals are free for KS 1 children:- Reception & Years 1 & 2.

Please pre order your child's lunch in advance via the ParentPay website; log in details will be sent to you w/c:- 16th September. For the 2 weeks prior, 9th and 16th please see order form in your pack.

Alternatively, please provide your child with their own packed lunch. NO NUTS, sweets, chocolate or fizzy drinks though please.

Bespoke dietary menus can be provided for any children with allergies etc. Please email or call into the office: barcombeoffice@skylarkfed.education We can send you the form to fill in. (an example of the form is in your pack).

Snacks

The children are allowed to eat fruit, and a healthy snack each day after morning play as it helps to maintain their energy levels! Please bring snacks into the classroom and leave them in the green box. We advocate healthy eating, so please choose a snack accordingly.

Fruit is provided for all of the children in Reception and Key Stage 1.

Water

We ask children to bring in water in a named re-usable water bottle to drink throughout the day.

Absences

Please notify the school by telephone/email before 8.50am on the first day of absence as to why your child will not be in school. This is a requirement of the DfE(Government for Education). If your child has been sick, we have a 48-hour rule that your child must not return to school until 48 hours after they were last sick. Our telephone number is:- 01273 400287

If your child is likely to be absent at the beginning of the school day due to a Medical Appointment, please notify the school in advance if at all possible. If your child will be returning before lunch and will require a school dinner, this needs to be booked in advance.

Holidays in Term Time

The Department for Education has amended the regulations and guidance in relation to absences in term-time. There is no automatic right to take your child out of school during term time. Please see the separate letter enclosed in your pack.

Change of Plan
