Information for all Parents/Carers

Funky Socks and Shoes Day in Aid of Barcombe Project Zambia- Poster attached

Next Friday - 31st of January the children can come to school in shoes of their own choice and funky/odd socks (other school uniform to be worn as normal).

The School Council will be at the gate during drop off at 8.35am and pick up at 3.15pm to collect any socks and shoes you would like to donate to Barcombe Project Zambia, our school charity this year. They will then be sent on to children in a school in Zambia.

*The socks and shoes can be any size. There are both Primary and Secondary aged children.

*We are collecting any type of shoes eg trainers, football boots, school shoes etc.

*Please ensure the socks and shoes are in good condition (no holes in the socks or splits in the shoes)

Thank you very much, your socks and shoe donations will be very much appreciated.
